

The American Urological Association (AUA) offers their Urologic Abdominal Ultrasound with Hands-On Instruction at the 2010 NS-AUA Annual Meeting

Quality urological education . . . delivered to your site.

Thursday, September 23, 2010

7:30 – 11:30 a.m.

Westin Convention Center Hotel, Pittsburgh, PA

Pat F. Fulgham, MD, Course Director

This course will cover the indications, technique, documentation and safety for the performance of renal, bladder and transabdominal prostate ultrasound.

In addition to didactic instruction, there will be hands-on skills training.

It is recommended that course participants complete the *Basic Urologic Ultrasound* DVD prior to attending the course.

Space is Limited to 20 Participants—Register Today.
